Dear Fascial Manipulation® Provider:

As of January 1st, 2016 the following professions are allowed to register to take Fascial Manipulation® courses.

- Medical Doctor
- Osteopathic Physician
- Traditional Chinese Doctor
- Doctor of Chiropractic
- Physical Therapist or Physiotherapist

All candidates must produce a current license and be in good standing.

Other possible healthcare practitioners may be considered provided they have completed three years of full-time post high school education. It is necessary that their education include classes in anatomy, physiology and biomechanics. Providers will be responsible for evaluating these requirements. Students, of above schools, can be enrolled based on seats available.

Kind Regards

Stecco Luigi
